Reader Profile			
<p>Readers of "Frau im Leben" and "plus Magazin" are mature, active, involved in their community and feel that they are in the prime of their life.</p> <p>They have a wide spectrum of interests with a thirst for information regarding their phase of life.</p> <p>Serious topics such as health, sociological developments and finance play an important role, but furthermore, "Frau im Leben" and "plus Magazin" readers have an interest in everything that can enrich their lives because above all, they enjoy life!</p>			
Magazine Profile of monthly magazine			
<p>"Frau im Leben" and "plus Magazin" (until Dec. 2008: Lenz) are two monthly quality magazines for people in the second half of their life. Distinctive for this period of living are change and renewal:</p> <ul style="list-style-type: none"> - children are leaving their parents home - home is being re-decorated; for the second time in life (after family foundation) substantial investments are being made (car, furniture, etc.) - leisure time and holidays gain importance and are being planned differently - more money is available for consumption and leisure proposals - health, physical fitness and well-being gain importance. High readiness to invest in personal health. <p>At the same time the upcoming retirement (also financial concerns) are intensively prepared and structured.</p> <p>On this background "Frau im Leben" and "plus Magazin" are high-quality magazines that give advice in all questions that people in their second half of life are really interested in. The magazines help their readers to enjoy this phase of life as precious and substantial. These great advisory skills helped the magazines to reach an extraordinary percentage of subscribers. The large amount of time the readers spend on the lecture of "Frau im Leben" and "plus Magazin" expresses the high level of quality.</p>
